

§ 576.25

part. Where a structure is used for both eligible and inherently religious activities, emergency shelter grants may not exceed the cost of those portions of the rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to emergency shelter grants in this part. Sanctuaries, chapels, or other rooms that an Emergency Shelter Grants-funded religious congregation uses as its principal place of worship, however, are ineligible for Emergency Shelter Grants-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(f) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

§ 576.31 Application requirements.

(a) *Indian tribes.* After funds are set aside for allocation to Indian tribes under § 576.5, HUD will publish a Notice of Funding Availability (NOFA) in the FEDERAL REGISTER. The NOFA will specify the requirements and procedures applicable to the allocation and competitive awarding of these set-aside funds to eligible Indian tribe applicants.

(b) *States, territories, and formula cities and counties.* To receive emergency shelter grant amounts, a State, territory, or formula city or county must:

(1) Submit documentation required under this part, part 5 of this title, or any other applicable provisions of Federal law; and

(2) Submit and obtain HUD approval of a consolidated plan that includes activities to be funded under this part. This consolidated plan serves as the jurisdiction's application for funding under this part.

§ 576.33 Review and approval of applications.

(a) *Conditional grant.* HUD may make a conditional grant restricting the obligation and use of emergency shelter grant amounts. Conditional grants may be made where there is substantial evidence that there has been, or there will be, a failure to meet the requirements of this part. In such a case, the reason for the conditional grant, the action necessary to remove the condition, and the deadline for taking those actions will be specified. Failure to satisfy the condition may result in imposition of a sanction under § 576.69, or in any other action authorized under applicable Federal law.

(b) *Grant agreement.* The grant will be made by means of a grant agreement executed by HUD and the grantee. HUD
